

# **Inorganic Chemistry** Seminar Series

**Thursday, May 4, 2017, 12:30 pm**  
**Seaver Science Library, Room 150**  
*SSC Auditorium next to the library*

## **Professor Joshua Figueroa**

*Department of Chemistry and Biochemistry*  
*University of California San Diego*

## **Unsaturated Metal Isocyanides: Molecules to Materials**

*Hosted by Professor Mark Thompson*

*The scientific community is invited*

**USC** Department of Chemistry
